“ I would like the family to know what a treasured honor was to have known Jim.

He brighted our office (DPU W&S Plan Review) with every visit. This was espically true when he brought one or more of the Grandchildren with him.

I'm sure you will miss him more than I can imagine, but I'll always remember him with a smile in my heart!

Peace be with you all today and as the days go by.##imported-begin##Sue E. Wheeler##imported-end##

“ My thoughts and prayers are with the family. I work at the Community Bank and had the pleasure of waiting on Mr. Jim when he would bring his deposits in. Mr Jim was known for his "Smile." Always ready to strike up a conversation with you and make you laugh! I will forever have the image of Mr. Jim's smile in my mind. You will truly be missed Mr. Jim.

“ I just want to say what a true treasure "Smiley" was to me. I met him when I worked at The Community Bank in Loganville and he always made me smile. How could one not smile when you saw him. He always had the biggest smile on his face. He was one of those fine customers that you actually missed when they did not show up for a few days and we would begin calling him to make sure things were okay. He always had something good and funny to say about his loving wife.

I like to share his story to my friends on how he told us he was going to take his wife somewhere special to eat. He would go on to tell us how fancy a place it was and how they prepare whatever you want right in front of you. We of course would get excited and tell him which Japanese restaurants we thought were best. He would laugh and tell us no the place he was talking about is called Waffle House. God Bless and my prayers are with his friends and family.##imported-begin##Kim Smith##imported-end##
