“ *My thoughts and prayers are with your family. I know what you must be going through. My family just lost a husband and a father on 02-11-2008 to cancer. We all have to cherish the memories of our loved ones that we have lost. We also have to remember that one day we will all be together again walking hand and hand through the Pearlie Gates above. May God Bless Your Family.##imported-begin##Cynthia Cardin##imported-end##*
