“ We just met James a couple of months ago when he came to see some motorcycle parts my husband had for sale. I knew right away that James was a special man. I have a 19 year old mentally handicapped son who has always been fascinated with motorcycles. He has always dreamed of a motorcycle ride. Well he instantly liked James and James would always pay attention and talk to him. Well he showed what a caring good man he was when he showed up at our house last weekend and asked my son "if he was ready to ride!!!!" He took time to give him some instructions and then dressed him up, Leather jacket, sunglasses and helmet. There was never a happier kid than when he climbed on the bike behind James. Instead of just riding in the yard he took him all the way around the block. My son was thrilled and is still telling and bragging about his dream ride. I told him how much that meant to me and he just said awww I didnt do anything special. What a special caring person. We wish we had more time to get to know him better. Our prayers are with you and we just wanted to share our special time with James with you.##imported-begin##Zack & Melody Brown##imported-end##
