“ *I regret having lost touch with Douglas over the past several years, but I still reminiscence over the good times we had both at work and on the golf course. Doug may have sometimes been misunderstood but if you ever really got to know him like I think I did for a few short years, one thing you knew for sure was that he had a big heart. Now that he is gone I realize how much I am going to miss him. Please accept my deepest symphathies.##imported-begin##Leroy McClelland##imported-end##*
