“ I was a friend if Jims. He was a kind man. He helped me get started in the machining business. He was an excellent machinist. I use to come visit Jim when the machine shop was in his basement.##imported-begin##George Winton##imported-end##

“ Dear Mrs. McEntee, You have my deepest sympathy on the loss of your husband. I saw the obit in the St. Louis paper. You do not know me. I am wondering if these are the McEntees from St. Bartolomew Grade School in Hazelwood, Mo. I was in the same class as Terry McEntee. The McEntee family I knew was a very nice family. I remember the father being deceased and family seeming to cope well in spite of a tough situation. Please tell Terry I said hello, and I would like to know how the family is doing. My husband passed Nov. 2010, after a long illness. I was a hospice nurse for many years and I am grateful I knew how to care for him. I will keep you in my thoughts and prayers.
