“ Sorry I was away from the facility and unable to come to the viewing for your Dad. I had no idea when I spoke to him last Friday that he would not be there when I returned. He was a good man, as you know. I will always remember him for the support he gave me with his father, and the patience but firm resolve he displayed. Thank you for giving us a chance to care for him. If I , or any member of my staff can help you in anyway, please do not hesitate to ask. God's peace to all the family,
