“ I am so sorry for your loss. The loss of a loved one is so, so painful. Only if Adam and eve would have obeyed God. (Genesis 2:17) we would not be suffering the loss of our family and friends. Will God's original Purpose ever be fulfilled? God's word the Bible answers that question. Isaiah 33:24 and 25:8, tell us that the God of Love (1John 4:8) will bring and end to sickness and death. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) I harmony with Gods original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. I sure do look forward to that time What will conditions be like here on this earth when the above scripture are fulfilled. Please read Psalms 37:10,11,29, and 72:7,8, to receive the answer. For further information on how you and your family can learn more about how you can be a part of God fulfilling his original purpose, Please contact the local Kingdom Hall of Jehovah's Witnesses in your area.##imported-begin##FH##imported-end##

“ I just wanted to write you a quick note to let you know that I've been thinking about your family since I learned of Mr. Williams passing. I can't begin to imagine how difficult this time must be for you and your family. I know he was a great man and that this loss will leave a great hole in your lives.
There are no words I can offer that will make this any easier, but hopefully just knowing that people care will allow you to lay some of the burdens on us. I will be keeping all of you in my thoughts and prayers.##imported-begin##Erica Frachiseur Johnson##imported-end##
