“ *Tekla,*
You and your family are in our prayers at this time. We feel like we knew your dad even though we had never met him. All of the times you shared about the things your family did together made it seem like we knew both your mom and dad. Know you are comforted that you had so much loving time with him. No matter how old your parents are, you are never ready to lose them. Keeping your in our prayers for comfort and strength during this sad time. “ *The Boys and Girls Club Family from years ago will remember Jim as a kind, caring, and capable Youth Services Professional. In remembering the length and quality of his Ministry to America's children, I am led to acknowledge the Family's support of all Jim did for others. In large measure they accounted for much of his success.*

Jim's life made a genuine and lasting difference for thousands of deserving boys and girls.

May Christ's love and forgiveness shadow Jim's presence today and always.
