

Jamie Suzanne Henderson

May 25, 1949 - October 12, 2024

It is with heavy hearts that we announce the passing of Jamie Suzanne Henderson, age 75, of Bethlehem, GA, who left us on October 12, 2024. Born on May 25, 1949, Jamie dedicated her life to education and family, leaving a legacy of love and kindness.

Jamie taught high school home economics in Thomasville, GA, and later found her passion in nurturing young minds as a Kindergarten teacher in Virginia Beach, VA. After relocating to Georgia, she contributed her time as a substitute teacher in Gwinnett County. For the first 22 years of her 52-year marriage to her beloved husband, Jack Henderson, Jamie embraced the challenges of being a military wife, providing unwavering support through their many relocations.

A devoted wife and mother, Jamie is survived by her husband, Jack Henderson; her son, James, and daughter-in-law, Rachel Henderson; her daughter, Jacquelyn, and son-in-law, Mark Lavender; as well as seven grandchildren and two great-grandchildren who brought her immense joy. She is predeceased by her parents, James and Joan Jackson, and her sister, Judy Palmer.

Jamie had a deep love for nature, particularly flowers, and spent countless hours tending to her garden. She found delight in the company of birds,

especially hummingbirds, and butterflies, which reflected her vibrant spirit and appreciation for life's beauty.

A Memorial Service will be held on Saturday, October 26, 2024 at First Baptist Church of Loganville, located at 680 Tom Brewer Road, Loganville, GA 30052. Visitation will begin at 2:00 PM, followed by a service at 3:00 PM.

In lieu of flowers, the family requests donations be made to Apalachee Recovery through the Barrow Community Foundation at <https://barrowcommunityfoundation.org/barrow-community-crisis-fund/>.

Jamie's warmth and love will be deeply missed by all who knew her, but her spirit will continue to shine through the lives she touched.

“ Jack and Jamie were precious neighbors to the Meadows and Shafer families we affectionately called the SNOW MEADOW LANE GANG...in Stafford, Virginia, near Quantico. Cassie , Nancy, and JAMIE shared many precious hours sharing our families ...prayerfully as we worshiped together at Mt. ARARAT Baptist Church....joyfully living within sight of each other's houses. She shared her cooking skills deliciously. She shared her gardening skills beautifully. Her heart was gracious and her smile lovely. She remembered our birthdayssending loving messages via cards and phone calls. What a special place in our hearts the HENDERSONS hold...much love to you all as we reflect upon the gift sweet Jamie was and shall eternally be.

Jamie, We have been friends and neighbors since 1973, sharing many many evenings and family time over the years. I remember Jack and I building a picnic table one Saturday, with the legs never ending up level. You and my wife, Valentine kept laughing at us as we continued to cut the legs down, making it a kid's table. The Marines brought us together and our families bonded over the many years. Val is still drinking her coffee from the cup you gave her. I still have the book mark given to me so many years ago.

When we first met Jamie I could not understand a word she said because of her wonderful southern accent. Over the years we grew so close. In California we have great memories playing games and helping with James when he was a baby. Adrian thanked Jamie for teaching me to sew, cook, and garden so many years ago. She was such a great southern lady and will be missed by all. Until we meet again we love you and you will be missed!

Jamie was a wonderful friend and neighbor. She had a huge heart and more hospitality than anyone I've known. She always made people feel special and welcome. One Christmas season, our neighborhood was out of water for some reason and she used every bowl she owned to be able to keep on baking! She sent treats and a maranatha cassette she had recorded for a long driving trip we made at Christmas to see my father - in- law who was battling cancer. Jamie always put others first. I could write more. I wish there were not so many miles between us. Sending love and hugs and sharing in your tears.
