“ *My sister came to visit me when I lived in Alaska and the first day she saw a bear. She screamed "there's a bear"...we thought she was playing one of her many tricks on us, but she actually did see a bear not 15 feet from us....so many memories growing up with Jane will always be in my heart. When she went on a date I would cry so mother would tell her date to ride me around the block with them and they would and I would stop crying...she always told me I was spoiled but I just wanted to be like my by sister. Rest in Peace sister. Tell Mother and Daddy hi and one day I hope to join y'all. God please take extra good care of this precious lady that loved us all. Thank you for sharing her with us.
I love you sister.*

“ I met Jane through Homecomings at Rabun Gap and this site. She was a dear friend who I visited several times at her home at Lake Hartwell. She was such a "cheerleader" for Rabun Gap, loved her RGNS friends and classmates, and she supported the school through her service, attendance at Homecomings, and donations. I will miss her very much. She and her husband are together again, however, and she is now free from pain. Condolences to Darena, Montine, and Allan, and all their families. You are all in my thoughts and prayers.
