“ Oh how I adored Jane! I met her when she attended my aerobics class at Snellville Elementary in the 1980s. We had so much fun for a number of years! I'm stunned that she's gone far too soon! Sending my love to her precious Johnny, Shannon and Brandon. I bet she was the best Nana ever!!

“Wow Jane, I can't believe you are gone. You have left a void in my life that will never be able to be filled. The friendship we've shared over the last 10 or so years has been some of my most treasured. You love deeply and were the most kind person I've ever met.

Having been the one to actually teach you to function in the real estate world was quite the challenge since you didn't even know how to send an email (haha), but somehow we managed to get through it together and you became a great real estate agent. I'm glad I was able to help you with that!! I love you girlfriend and I will see you again some day. RIP
