“ Jane and I have known each other for 40 years or so. Our friendship began when I came to work for her at AT&T. I was young and naïve and I know Jane must have had a few laughs at my expense! She was a mentor to me and to all those around her. I think what I admired about Jane early on was her eagerness to help others. Whether it was listening when you needed someone to talk to, explaining something relating to work, or doing volunteer work with the Pioneers, she was always there for everyone and always gave 110 percent. Over the years our friendship grew into one that I am so blessed to have had. We have shared some not so good times over the years but enjoyed A LOT of good times – work, travel, eating out, chatting – I could go on and on. I am so thankful for all the wonderful memories. Jane is my dearest friend. I love her with all my heart and miss her so much. She is at peace now. I know Jane will watch over each and every one of her loved ones from Heaven, and I know she will be forever in our hearts.
