“ *I will remember Jane as someone who knew how to enjoy life through her family, her dancing and her travels. Working with her at Lucent was a pleasure. She was a good friend and will be greatly missed and well remembered.##imported-begin##Linda Crabtree##imported-end##*

“ *I am so sorry to hear of your loss. I knew Jane from working at Lucent and attending the dances where she and Charlie would entertain us by watching them dance so beautifully together. I can't remember ever seeing her without a terrific smile that made her face glow. I know you will miss her and I will too. I am praying that God will be close to you during this time of sadness.##imported-begin##Rebecca Rogers##imported-end##*

“ Jane could brighten your day by simply walking into the room and smiling. I feel as if I know her children and grandchildren and Charlie by talking with Jane over the years. She was blessed to have the love of such a wonderful family and to love them. I miss her so much. We always had such a good time when we could get together for a long lunch.

“ We were so shocked to hear about your loss. Jane's presence will be missed at After Hours and Solos. She and Charles were quite the pair on the dance floor. Please remember that God is there with you, ready to help you through this sad time. And Jane? She's a happy soul entertaining other happy souls with her dancing.
