“ Buck & Patricia,  
We are so sorry to hear of the loss of your mother. She was a very precious person to us as the both of you are.  
It just so happens we are trying to get over the crud and don't think we need to expose all of you.  
I can remember the first time I visited the church with Larry and she had this big beautiful hat on. I will not forget her vibrance.  
Of course she and Larry's mother was close. Larry has told how much he admired your mother.  
She will be sorely missed and we will be praying for you in your time of grief.  
Again she is not suffering and we all know she is walking the streets of gold.  
Love
