“ Janet, you have left a hole in my heart and a sorrow like no sorrow I have ever felt. But I thank God every day that you were my sister, that you were always there for me and that you were an AWESOME mother to your children. As we all suffer and grieve for your loss I am comforted that you are in God's loving arms and enjoying play time in God's gardens with His holy angels. I am so proud of all you accomplished in your life and you will always be a role model to me. Enjoy your time away from the stresses of life and save a place for me. I love you! Your sister, Patty :-))##imported-begin##Patty Williams##imported-end##

“ *Damnit Janet! WTH? I don't know if I should be mad at you for leaving us so soon, happy that you have made it to heaven or jealous that you got there before me. You were always there for me through thick and thin. You were a support system for a lot of people whether you knew it or not. I can't believe this has happened. Whether I was yours or not, you were my best friend for 10 years and I hope dealing with this grief gets easier as time goes on. You will, truly, be missed.*

Keeping things in focus is difficult, but I know that you are in a much better place than those of us left behind and we must be strong (as tears roll down my face). I will try to celebrate your life and not focus on your death.

I am so sorry for your family and what they are going through. I cannot imagine their grief. It is going to be a long road back to emotional wellness, but I know they are strong and will prevail. I will do anything they need me to do and hope they will ask for help, if needed.##imported-begin##Melissa Christopher##imported-end##
