“ I had the great pleasure of working with Janet at GL&V and over the years, Janet came to mean a lot of things to me. She was a good friend, sharing our life stories and laughs and fashion tips. She was a sister, sharing our sorrows and tears and more fashion tips. She was motherly, bringing us food and a providing a comforting hug when needed. She was a confidante, always willing to listen. Janet was the epitome of southern hospitality; always making sure everyone was taken care of. Although I grieve the loss of Janet, I celebrate her memory. Her laughter, her impeccable outfits, her smile, her sausage cheese balls, her love of Katie, her love of Pete, her love of life. My deepest sympathies to Pete, and to the Walker and Goletz families. RIP Janet.##imported-begin##Carole Bossy##imported-end##

“ Pete, Walker and Goletz family.

*I know you all. Aside from Pete, you do not know me. Your wife, aunt, sister, daughter, told me about each and every one of you. Everyday.*

*There was not a woman in our lives that loved so many with all her heart. No one more giving to her loved ones. You, more so than myself were so truly blessed to have such a person in your lives.*

*Thank you all for sharing her with me. I can not tell you how much I loved her. She was my 5 day a week sister for many years. The memories that I hold, in this time time of sorrow, make me cry in her passing, but it is quickly replaced by smiles and laughter through the tears. Honestly, as i think of her and the countless times we laughed, I begin to hear her laughter. Janets infectious laugh. We have that for the rest of our lives. God Bless you all and keep you close in this trying time. Janet, I miss you, thank you for enriching my life. The heavens are filled with your beauty and laughter.##imported-begin##Mark Shields##imported-end##*

“ Our life is a...mist that appears for a little while and then vanishes, a breath, a passing breeze, an evening shade..and, often abbreviated. Janet loved and lived life to "overflowing". I so enjoyed her drive-way visits as she walked precious little Katie to visit often Macy & Murph. She will be sorely missed by all who knew her. As those that love her watch sadly and cry, "There she goes" her loved ones in Heaven are joyously crying, "Here she comes". Praying for you in the days ahead.##imported-begin##Ellen McILwain##imported-end##

“ Hi Pete -

*It's been a long time since we talked or seen each other. I remember the times we worked together with great pleasure, you always being there to help, no matter what. It feels me with sadness to reconnect with you in such unpleasant circumstances. I am very sorry for your loss and pray that God gives you strength to get through this. My condolences, my friend.*

“ We are all so saddened by Janet’s sudden passing. She was a wonderful person and I will miss her. We were all looking forward to seeing her very soon, for a group lunch, as we do every year, to celebrate the many August Birthdays in the GL&V office.

*Janet had the ability to make everyone of us feel special. She remembered the little things that made us happy, by simply posting our birthdays by email, or bringing in our favorite bagels and toppings for a surprise breakfast treat in the office. And those outfits! Always so well dressed, matched from head to toe, all done with great taste!*

*Her infectious charm and her wonderful sense of humor and storytelling made me laugh so often. Her obvious joy in living makes her sudden passing even more difficult.*

*She spoke lovingly of her husband and best friend Pete. And her commitment and love for her dogs was inspirational to me. Her capacity to love in such a way reflected the inner, true Janet; a quality that made her an exceptional human being.*

*Janet, I miss you. RIP.##imported-begin##Dave d'Eça##imported-end##*

“ Janet, I can't believe you're not with us here on this earth anymore. What a shock to us all! I keep thinking maybe this is just a bad dream and we'll soon wake up. Even though we didn't see each other often we e-mailed so much, and I will miss those letters. You were a great listener. You always made our visits to Greenwood so much fun. You were the perfect hostess bringing tons of snacks to share with everyone and lots of laughter too. We enjoyed those Saturday nights and holidays so much - sitting up late playing dominoes with Dee Dee and then talking into the wee hours. You were such a romantic and loved those special movies like "Sound of Music". And you loved Pete more than anything - that was so obvious to us all. You were a wonderful wife (and a great pet "mommy" to Tilly and Katie). There will be a big void in all our hearts until we see you again. After Dee Dee passed away you and I had several long talks about "spiritual things" and the "here-after". We both were convinced of this wonderful place called "Heaven". I know you're there now with all the others who have gone before. We miss you and love you.

“ Dear Janet,

*My love for you has never faltered nor wavered. You are my heart and surely the best of me. You made me a better man just by being in my life, and the happiest of men by becoming my wife. I will always cherish the time we had together and I promise to take the best care I can of myself and our wonderful pet Katie. We grieve so much for you and both keep waiting for you to walk in the door, just like everyone else. I will send our love to you in Heaven each and every day for the rest of my life. I love you and miss you.*
