“ I took Ms. Janice and Doug to the laser show at Stone Mountain in July, 2018. OH WHAT FUN WE HAD! These two were like teenagers--holding hands and laughing. It was late when we left the show. We had walked quite a way into the area where we could see--too far for Ms. Janice to go without stopping to rest. Doug was very sweet to her--staying with her and helping her along. I'm not sure that patience was his strongest suit, but that night he really impressed me. He was very hands-on with her that entire evening and I think she loved it. Of all the memories I have with them--breakfasts/lunches/dinners on the porch, driving around for fun, playing cards until way too late--it is the night at Stone Mountain that will be in my heart forever. They both seemed so happy.
