“ I sit and try to put into words what this special Angel, Janice Stewart, meant to me, and most everyone who entered her path in this life. Her family is broken, her friends are so sad she had to leave us, and the Lord has welcomed her home. .Janice was such an example of what we all should be, a light unto the world of God and his grace. She will always be in our memories, with a smile on our face.

I worked with Janice for many years and she was an outstanding nurse and largely responsible for the success of the Day Surgery Unit at Gwinnett Medical Center. She was exemplary of professionalism and clinical competence and had a positive impact on patients, families and staff. She was loved and respected by everyone and we are all better people for having known her.
