“ I am (as well as many many others are) still stunned by your passing. Such a beautiful, wonderful spirit. I have always loved the Beatles, but you dear girl will be the all time Beatles fan. I wish I was poetic and could say some really special words, but all those things I cannot come up with in words are in my heart. Please give my Sister Pam a big hug. I know she has welcomed you as many others have. May your Family and Friends find comfort in those that surround them. May you Rest In Peace. Much love.

“ Tom & I are so saddened to hear about Jan’s passing! I have so many fond memories of us going to the farm in Lawrenceville, riding horses and just driving the old truck from the house to the mailbox! I remember playing Barbies in the attic of the house on Pangborn Rd. And playing in the playhouse in the backyard. Jan will be sorely missed. She was such a sweet soul. RIP sweet Jan! Prayers for the family... you were all so close to us growing up. My heart aches for you all. ❤️
