“ Our deepest regards to Anita and Family. Although I've only seen him once or twice over the last few years, he was always the laid back, southern boy with a quick smile that I met 21 years ago. I knew Jason's family fairly well, and many in my family were high school friends of Anita and Rickie's. I have to say that I have never witnessed a mother love her son in the way that Anita Cheek has. I hope that his friends and loved ones find the peace that only God provides to ease their pain. Rest in true peace Jason. Amy and Russell##imported-begin##Amy Fox Purcell##imported-end##
