A fine, upstanding co-worker, who was a joy to work with these past years. He will be sorely missed as a part of our DataPath family and a void will definitely be left from his absence! Godspeed my friend!

“ Curtis (AKA Grumps) and I we so saddened to hear about Jason. He was a part of our family for several years and was the son we never had. Our memories of him are too many to share, but I will share this one. When Jason came back from basic training there was a knock at our door and before my eyes stood the most handsome sailor I have ever seen. He simply said hi mom. My heart melted and somehow thru the tears I was able to say, hi son. He said we were his first stop that he wanted us to be the first to see him in uniform. We loved him dearly. Jason was so special and he will be missed. Our prayers for the family in the days, weeks and months to come. Love and Prayers, Curtis & Donna Stanfield

“ It seems like just yesterday that Holly and I became friends through our Gateway training weekends and summers, and we both met and married Navy veterans about the same time. We loved spending time with Holly and Jason, whether it was camping, the guys playing softball, or finding a new restaurant. I've missed their friendship since we moved to Texas, but I have enjoyed keeping up with their adventures and watching the kids grow. Jason was a good-hearted man who obviously loved his family deeply and enjoyed life to the fullest. I wish i could be there in person today to give Holly a big hug. I love you, my friend!

“ RIP Micky, thanks for your service and to the service of the Georgia Combat Motorcycle Assoc. I remember being one of the brothers who patched you into our Association and I remember our first ride together. You. Figgymo .Pirate and myself placing Christmas Wreaths at the Toccoa GA. cemetery. There was other rides together and other veterans we rode to help. You rode like you stole it, free in the wind with brothers flying along. You will be missed my BROTHER. You now can ride in Heaven with the angles and the hand of God lifting you higher and higher. As long as there is a CVMA you will never be forgotten. God bless you and your family. Your brother in arms Doc Shaw!

“ Last year at a CVMA event, someone ask “what do you do for a living? Jason “Mickey” answer “I am a stay at home Dad.” I knew he worked from home and that statement conveyed how much his family meant to him. His love for his wife and children knew no boundaries! Lesa “Lefty” Stancill

“ I met Jason shortly after joining the CVMA. I remember hearing him speak at the meeting. An extreme amount of knowledge on both the CVMA and life itself. He was a cool and collected man. It was easy to see why he was our sergeant at arms. Had the knowledge. Had the ability. And smooth tempered. Great guy to be around. He will be deeply missed.
