“ *I am so heartbroken to hear of Jason's passing. I had not seen him for many years, but once upon a time, he was a great friend to me. He was always willing to go fishing with me, and bait my hooks while rolling his eyes. I have so many memories of him that will always make me laugh and smile. I hate that we didn't keep in touch through the years, but I hope life was good to him. My prayers are with his family.*
