“ I have known Jayne for as long as I can remember. She and I were the closest things each other had for sisters and I have always thought of her that way. We spent almost all of our first 11 years together, playing, fighting, laughing and just grateful to know that each other was only a few steps away. We helped each other through our child raising days and it surely would not have been nearly as much fun had it not been for her caring for me and good humor for all of my "first-time" mother concerns.

I cannot be with you on Saturday but all of you children will be in my heart. When I have thought of Jayne this week it has been with laughter for all of the happy memories we shared and with awe at the courage she displayed in the last years of her life. She taught us all how to live with terrible adversity and she did it with a smile and a wonderful sense of humor that not even illness could take away.

Rest well my dear friend Jayne. I will remember you best for our childhood on Briarcliff Road and our teen years at Lake Rabun. And I will never forget that you could outcook me on anything. I will remember the artichokes at our bridge games and the many turkey dinners our families shared.

You are always in my heart.

I love you dear sister.
