“ *I am so very sorry I could not make it to see Mr. Williams one more time. He wa a very special man to me! The day we had the run in with Lawrenceville Clinic, I knew I would not leave him alone. If that was my Dad, I would want the same thing. He always had a great smile, and and terrific outlook on life. He loved his family, and spoke of them often. I feel as if I know them all, but never got to meet many. I know how much he loved fishing. He truley was a very special man. I looked forward to picking him up for his treatments. He had said he was tied.. I knew he was ready. Rest well my brother. You have had a great life, and touched many! You wil be missed, but we shall meet again one day soon!##imported-begin##Todd Orr##imported-end##*

“ I just wanted to say I'm so sorry for your loss. I didn't know Mr. Williams very well, I met him a few times when my grandfather was commander of the VFW. I remember reading his story he had wrote about when he was in World War II. Mr. Williams was kind enough to come to my class in the fifth grade and share his experience with us.##imported-begin##Tawana Franklin (granddaughter to Gwen and David Christenson)##imported-end##
