“ I worked with Jean in the mammography department at Athens regional Hospital in approximately 2009 and 2010. She was an excellent tech and so kind to the patients. She was very very special to me because while I was there, my son age 19 passed away. She drove me home to Atlanta and helped me so much that day. I will never forget her. I am so sorry for your loss. In Christ, Dr. Diane Jensen.
