“ *I remember all the good times we had as children growing up on Piney Grove rd. And not only was Jean Hood a school bus driver. She was also very good at sewing! She always helped me with my school projects! She was a very talented woman! She will be missed dearly by anyone who knew her! My prayers go out to all the children and their families and her dear husband Ray!*

“ I will never forget as a young girl (the youngest when all my siblings were in school) my mom & Ms. Jean were good friends. I think if I recall Ms. Jean was running a vending route or something like that, my mom & I would ride with her in this big truck and every morning I went Ms. Jean would fix me a bowl of cocoa puffs. Boy were those a big treat! As a teenager, my sister was best friends with Kay and we were often just hanging out at the family home. I also tried eggplant for the first time in my life in Ms. Jean's kitchen, I still love it to this day. Ms. Jean was such a loving & kind women. Every time I see a box of Cocoa Puffs I think of all of you & the fond memories of childhood vacations together, running around in the yard playing etc. My heart goes out to each of the family members. May God grant you peace during this time. I apologize for being unable to attend the service as I am in Charlotte and have to work this weekend but my prayers & thoughts are with you all.
