“ *As children, my sisters, brother, and I spent a number of summer and fall weekends at Grandpa & Grandma Jean's house with the pool in Cape Coral, FL often spending most of the day in the pool! As an adult, I enjoyed having dinner with Grandma Jean and her 'Ladies' at Grand Villa in Ft.Myers. However, I spent more time with her these last 3 years at my home where she spent the final years of her life. Along with my wife, Claudia, and our girls, Aleix, Riley, Kaelyn, and Devyn, we had the chance see her daily. She and I battled over exercising and her walking, loving each and every argument. She can stop now! She made it!*
