“ Jan and family- My heart goes out to you in the homegoing of your mother. I have such sweet memories of her. Knowing how much she loved the Lord, and how she loved the thought of her heavenly home does make this easier to bear; however, I will be praying for the loneliness and the void that you and your family will feel without her presence here. We love you and are praying for you. (In Christ's love, Lee and Margie)###imported-begin##Lee and Margie Turpin###imported-end##
