“ *Mr Ace and family,*

*Jean was so very dear to me. Jean was my bus monitor a job she loved. We spent many hours together. Jean always had a special way with children. Jean and I laughed so many times. I especially remember a time a sweet young pre k student would call her grandma. Jean thought it was so sweet , she said to the mother . in her Jean special tone ... I love the way he calls me grandma . Mom replied "Oh yes he calls all old ladies grandma". with that said Jean looked at me and said "That's it ! we are stopping at CVS I need a new face cream ! Just one of many . She always spoke nicely of her family and Mother . .Jean thank you for the great memories. You were such a great part of my day... We rarely said goodnight . We left off Ok Love you. see you tomorrow. Love you my dear friend.*
