“ *My Aunt, Jeanne, was the best Aunt anyone could have ever asked for. She did so many things with me growing up. She left me with the fondest memories of Dunkin donuts, taco bell, trips to the zoo, yardsale shopping, and my first play kitchen. I was with her alot as a child and I love her very much. I've never met another person like her. My heart is broken. I love you Aunt Jeanne! God is with you now, I know you will be a guardian angel to Melissa and Uncle Tom. They were your world, and you are theirs. We will see you again. Rest peacefully, love you*

“ I only knew Jeanne for a few months working at Lowe's with her, but she was one of those people that you feel like you've known for years. I always loved talking to her and wish I would have talked to her more during this hard time. Her love for people and animals was a beautiful thing and she will be missed by many. My heart goes out to all of those who loved her, especially her husband and daughter. Your Lowe's family will always love and miss you, sweet Jeanne! ❤️
