“ *Jean and I met in New Hampshire back in the 70's we were teenagers. She and her family camped at Dolly Cop campground we hiked Carter Notch trail. When she left New Hampshire to go back to Massachusetts we wrote each other extensively I called her sunshine. My name is Gregg Gabriel I'm from New York. I'm so sorry for your loss she was a great person from what I remember and to this day I still think of her. There was a beach in fairhaven or New Bedford Jean used to hang out in. We were kids but we both loved beaches. I visited Jean at her home I believe it was on Taber Street Her family was great to me and I will never forget that time, I stayed in a trailer behind the Coleman's home... Through the years we lost touch with one another as distance and time was a factor. I'm saddened by her passing but will always remember that beautiful smile.. I will always remember you Jean and the times we shared as kids however brief. I used to tell her when she was troubled that Windflowers bend with the Wind but never Break..*

“ Mike, my heart goes out to you brother. I was shocked to hear about Jeannie's passing. She was one-of-a-kind. She could light up room. I remember fondly the pool parties, the nights partying at the Bullpen listening to the Average Americans and Christmases and Halloweens down on Birchwood Drive. Jeannie was in the center of it all.... the life of the party.... with that sharp wit, load laughter, beautiful smile & charm. You knew then she was the love of your life. My deepest heartfelt condolences go out to you Mike for your loss.

“ *My Brother Mike,*

You are a powerful force for good in this world. Your love for Jeanne and your fellow man shines through, seen clearly by others, especially those who understand the Light.

What a beautiful girl, so far out of your league.

Mike, you know that the spirit shines on, yours and Jeanne's.

Please know we are all with you, anything you ever need is freely given here.

You are blessed to have her in your heart.

“ Dear Mike, Dianne and Mrs Coleman, I am shocked and saddened to read of Jeannie's passing. Although it's been many years that I have seen or talked to any of you, I have many memories of our young days when you lived on Tabor St and I was on Main St. How we take things for granted. My mother always remarked how sweet she thought Dianne and Jeanne were. May you find strength in each other at this terrible time. My prayers are with all of you.

“ Our precious Jeanne, how you impacted all you met in this life. You did touch my life in many ways. With your smiling acceptance each time we got to see each other, to the willingness to always help me in any way that I asked. You were so eager to reach out to get a job done and always stayed with it to the end to get the best results not only for Lund but too, for the employees. I know the Lund/Truck Hero staff will always miss you.

My heart goes out to your family and loved one's and I wish them all to know that you touched my life in such a positive way, I will always miss them and wish them much comfort. Good bye precious Jeanne.

*“ I'm going to miss you. I'm going to miss our talks, laughs and your way to make me see the good in everything. You were always there for me, even though after your retirement. A beautiful person inside and out. Great mentor, boss and friend. I promise I'll make you proud everyday because I know you'll be watching over your little girl like you used to called me. Rest in peace Momma #2. You're in a better place now.
My deepest condolences to Mr. Maguire and family. You and your family are in my prayers.*

“ Jeannie's beautiful smile will be the first thing I think of when I remember her. She had such a light inside that shined out of her and made me want to be around her, just to talk and laugh and sometime cry when the going got tough. She always had encouragement and kind words for me. I miss her tremendously. Mike and family, although Jeanne's earthly body has left us, hold her spirit deep in your hearts. May you find comfort in your memories, love in each other's arms and hearts, and peace in knowing she loved you all powerfully. Sleep, sweet girl, until we meet again.

“ I didn't have the pleasure of knowing Jeanne as all of you, but I do recall a conversation 30 years ago with Mike. He was so excited with dating Jeanne and getting to know her. He told me, “she makes me feel good about myself.” I told him to follow his heart and I'm so happy that he did. What a wonderful life they built together and all the memories they shared alone and some with all of you. What an example of love and marriage they represented to us all. I spent yesterday weeping, as many did, thinking how sad the remaining journey will be for Mike and all of those who loved Jeanne. I thought of her sister and all the conversations, laughs and trials they must've went through together. Her beautiful mother that must experience the greatest lost, a walk I personally know. Of her many friends and family that have mutually cheered each other on through life's challenges and joys. Please know how deeply saddened I am for all of you that you must go the remaining walk of life without seeing Jeanne. Trust that you may not see her, but she is still with you, in every memorie that you've shared together. When you get to your lowest think of her beautiful smile and piercing blue eyes and remember. I will continue to pray and think of you all.

“ *My beautiful, exciting, fun loving sister passed away in my arms. She was at peace after a long battle that she took on fearlessly and has been an example of courage to us all. She told me that she would like to help others after she passed and thought that she might be an angel. Surely she now has her wings. I love you Jeanne.*
