“ Alecia and Janet --

It's amazing that your mother preceded your dad to heaven by only 1 day. I guess that he knew he could let go and follow her. What a blessing for them and a comfort to you and your family. Neither of them would have wanted to be without the other.

I can just see your mother playing the piano and singing. I always wished that I could play like she did. Maybe if I had practiced, I could have !!

She was such a blessing to so many and you may have never known the particulars of the experiences that they had with her. It's sad that we don't always know how our parents blessed others, because we were too busy being kids ! Just trying to grow up as fast as we could.

Northeast Baptist Church would not have been the same without your mom and dad (and you two, of course). They helped start and build a great church. And they raised two awesome girls. So, we honor the lives of Jeannine and Elwin Horton. They were "good folks" and I was so glad to know them.

*Love,
Jeannie (Wade) Terry*
