“ Mrs Tina,  
Words cannot express how much you all mean to our family. You have been there for our wedding and birth of our children. When I met Mike, he always talked of Jeff and I knew I had to meet him. When I did get to meet you both, you welcomed me in with open arms. Jeff was a wonderful friend to Mike, I just hope we can return the friendship and be there for you, Matt, Megan, and Drew. We love you!

“ Dear Blount family,

*We were shocked and sad when we heard the news of Coach Blount. Our family has great memories of him as a teacher, coach, mentor and friend. He touched our lives and we are thankful for the time we had to know him and truly care about him. He will always be a fond memory of our years at Salem. Thank you for sharing him with us--know he made sacrifices with the family to be with his kids at Salem. He was a living testimony of God and he will really be missed! May you feel God's loving arms around you to give you strength, comfort and peace!##imported-begin##The Pye Family--Allen, Nancy, Ryan and Brandon##imported-end##*

“ I was so sorry to read about the untimely death of your husband and father. Death is something that we never get used to. However, Revelations 21:3-4, speaks about a time when “. . . death will be no more . . .” These words have been especially comforting to me in times of mourning and I hope that they will be equally as helpful to you.

Jesus himself promised at John 5:28-29, that “all those in the memorial tombs will hear his voice and come out.” He was speaking about the hope of a resurrection. This hope is something that I personally look forward to.

So by his miracles Jesus showed on a small scale what will take place on earth under the Kingdom of God. I hope that you find genuine comfort from some of the thought and Scriptures that I have shared with you.##imported-begin##Shannon##imported-end##
