“ It is with a heavy heart that I express my deepest condolences. It seems surreal that Jenny is gone. I am so sorry the world has lost such a beautiful person.

“ I remember when i was really young and my mom used to be able to just look down and randomly find 4 leaf clovers. Well this particular day she looked down and found an actual 100\$ bill. We were walking so it must have been before Kelsey was born, but we went to a gas station and ate lots of junk food played scratch offs and just had a good old time. She was a great mom, she did what she could handle later on in our lives. But growing up she busted her ass to keep me and my little sister Kelsey with the best lives she could provide. I will love her forever for helping mold me into the man I am today.  
"LOVE YOU FOREVER,ILL LOVE YOU FOR ALWAYS,AND AS LONG AS YOUR LIVING MY BABY YOU'LL BE. Kelsey Morgan, you should remember that one to. Love u sis
