It's such a odd feeling to look for a childhood friend and find her here. I met Jennifer when I was 10. I rode my first horse with her and went to a monster truck show. Did cheerleading together and we made a boat contraption at the edge of the woods. I remember a purple and white Jordache purse she gave me. I always wondered what became of her after we moved away. May you rest easy Jennifer thanks for wonderful childhood memories. 💜🌻
