Gerald Carpenter was my neighbor and friend. He was always smiling and though most times he didn't feel the best in the world. You never knew it he will be missed, but he can rest assure that I will help take care of Judy his beloved wife. I love them so much. Honey, Chipper and I will always remember the days we shared and many laughs we had. I know you're in a better place and you're not suffering anymore. Love Anne.
