“ Jermey you are missed so much at Walmart. We joked around a lot and had a lot of laughs. Well don't forget to ask God for a left arm with a hook. ( I mean you were getting one soon ) No hunting is allowed in heaven. Rest in peace it was an honor to work with you. Your crazy coworker/friend Shelby Jones.

“ Jeremy I'm so glad we all got to hang out last summer a few times and that you got to meet my Dad & daughter. You are the sweetest soul and I wish I could tell you that one more time. Whatever heaven looks like I hope you have the music up loud & the fish are biting. Sending love old friend.

“ Those who know, well you know the truth. But I'll play the story that was told. I have stitches from hitting my head on a wood pile while at deer camp with Jerm! Truth is.....scope and still to this day the hardest I've ever been hit and I can still see Jerm looking at me laughing. Man, you got blood running down your face! Yes, yes I did.
