“ These are special memories: Jerri was a special cousin, "sister" and business partner. She cooked, cleaned and took care of me many times when I had surgery. Jerri was always smiling or hugging. She loved the beach and estate sales. Many of our adventures surrounded those areas. She also loved to play dominoes. Her two favorite sayings when playing were: "Its the only tile I could play" and "You taught me everything I know about winning". We sent out the old year and brought in the new year playing dominoes with her. She won the last game of 2019 and she ribbed us about it the next day. We are thankful for every moment we shared and we will miss her.
