“ *Dear Jan and family,
We are all so saddened by the news of dear Jerry. My mother sends the following condolence: "My dearest first cousin was so special; I will always miss him. It hurts me so much that I cannot come to say goodbye, but my husband is very sick and I can't leave him. Jan, you know how much I loved Jerry, and you. The two of you were such a special couple. May the Lord be with you and the rest of your family during this difficult time. I love you all. Signed: Frances & George Rostar"*
