“ *I'm still in shock and disbelief after hearing of Jerry's passing. He was the kindest, most honest and caring man I have ever met. His kids were his world and he worked hard to take care of them. He was always generous and willing to help with anything. The memories I have will be cherished. My heart is broken.*

“ *Jerry has worked at Yerkes for a long time. He worked the night shift and most mornings when I was coming to work we would pass in the hall, sidewalk, etc. He was always very friendly, polite, kind, and such a nice guy. I will miss seeing him every morning. I am so sorry for your loss. My heart goes out to his family, friends, and loved ones.*
