As a big brother he was awesome. He would come in the house when we were little and get us in a head lock and scrub our head with his knuckles. We'd wrestle around and I told him, when you get older you gonna be bald cause you scrubbed my hair out. He would take loud and scare Sylvia and she would cry. Jerry was always a hard worker, and a great big brother. He was a loving Christian man.

Jerry was my big brother. I remember when him and Jean another sister came to live with us. I was so excited to have a big brother and a big sister. we all grew up and moved long ways from each other. I kept in touch on face book till Jerry stopped using it. several years ago we did a surprise visit. we had to wait till he got home from his job. It was so great to see him and his wife Jeanette. Jerry was a great big brother.
