

Jerry Goldin

August 7, 2021

Jerry Howard Goldin passed away August 2021. Born in Draketown, GA in 1939 to the late Howard & Doris Goldin, Jerry grew up in quintessential small-town America. His uncle was the school principal, aunts were Sunday school teachers, cousins were classmates, and his mom was the Avon lady. He came from a long line of physicians as his grandfathers and great-grandfathers were the county doctors.

Jerry came to Atlanta to study accounting in college. He married his high school sweetheart and they eventually settled in Gwinnett.

Jerry's passion was engineering machinery, especially for his business, Benchmark Trophy Center, where he patented computer equipment to provide a more efficient process for the industry nationwide. Jerry's inventive skills touched every aspect of his life. He built his own hydraulic drive hunting jeep and felt the need to re-invent every object that he touched. In addition to inventor, Jerry was a true renaissance man as a musician, artist, poet, archer, bladesmith, gunsmith, hunter, fisherman, golfer, explorer, and little league coach.

He is survived by the love of his life of 63 years, Ruth Morris Goldin; siblings, Sonya & Richard Carter, Bennie Goldin, Martha Church, Becky & Tommy Mattingly; son, Alan & Cheryl Goldin; daughter, Carol & Bill Curran; grandchildren, Alex & Kaitlin Goldin, Matthew & Kelly Goldin, Emily Goldin, Kristin Curran, Kelsey & Joey Dussault, William Curran; great-grandchildren, Cameron Goldin, Carson Goldin, Collin Goldin, Parker Dussault, and Emma-

“ *Ruth and family,
I'm so sorry about the passing of Jerry. It is such a shame that he passed in such a time of total chaos in the world and that y'all were unable to share your grief with people that he had touched along the way in his journey of life. I met Jerry when I was about 15 years old. He would come to Award Components to pick up trophy parts. Got to know he and his family pretty good. He became friends with my extended family as well as my own. He taught me a lot in the trophy business as well. When I had my own store I will forever have him in my memories as well as his family. I wish you all peace.*

“ *So Sorry to hear of the Passing of Jerry Goldin. He was always a polite kind person . He always took the time to spend with family when he was in the Draketown area. He could always share a special memory of the elder family. I am sure there will be a Void in his Family that can only be shadowed with the stories and memories of his life. May God always give peace for the sadness. See you in Heaven Cuz. Prayers for all Family and Friends.*
