“ One the finest men I had in my life to learn from. Whenever I would visit at a young age to adulthood seeing him on special occasions he was always positive and smiling no matter if he felt bad or Aunt Gail was. But my fondest memory of all was riding on a trip to Tennessee in his semi tractor trailer.

“ *My heart breaks to think we won't be getting that phone call to check up on us. My parents considered him one of their children so that made him our brother. He will be greatly missed. He loved his family and care for everyone he knew and showed it.*

“ *I will , as I have, continue and try to live following his example.
He was my mentor, my father-in-law, and my friend.
There will be a piece of my heart in Heaven,
waiting on that great re-union day.
He was, and is, a great example to emulate.
