“ I am in shock as I read this about one of my beloved neighbors! I loved Mr. Ramsey dearly. In my time of grief and heartaches Mr. Ramsey would always let me know he was there for me. I loved eating the vegetables from his garden, especially his greens!! We always enjoyed having him over during Christmas. Mr. Ramsey made me one of his delicious pound cakes after Mrs. Jane and I kept reminding him of it!! He's the person who told us about the Christmas Lights Contest, we entered it and won \$100!!! I loved making him laugh and him "blushing," his smiles, hug's and just being there for me if I needed anything. Mr. Ramsey will be greatly missed by all. We enjoyed also having our "Neighborhood Picnic's" in his backyard. He and I knew a lot of the same people from the Decatur area where I grew up and he lived and worked with, what a small world. It seems a lot of people, neighbors', relatives, etc., have made their home here in Loganville. Now Mr. Ramsey has moved on to his eternal home in Heaven, a home he didn't have to build with loved ones and friends. My daddy moved there a year ago this past March 24th. We miss him so much!! They are all there "Cheering Us" on from the balconies of Heaven!! My prayer's are with you, Mrs. Jane and the family during this time.

Love,

Terry

“ Jerry was a wonderful and loving grandfather, husband, and father. Our children were so lucky to have him as their Papaw. He kept them from the time they were born until they started school. They enjoyed working in the garden with him and spending time with him. We realized when we were looking for pictures of him that he was always the one taking the pictures and filming the video. I have quite a few pictures of his feet! He was a man of few words but always had a hug and smile for everyone. There is no doubt in my mind where he is enjoying his coffee this morning:) We love you Papaw!
