“ *Many years ago I gave my dad a note, which he put up in his shop, and where it has remained until yesterday. We are blessed for the wisdom he shared with all his children and many others.*

MY FATHER WHEN I WAS ...

4 years old My daddy can do anything!

5 years old My daddy knows a whole lot.

6 years old My dad is smarter than your dad.

8 years old My dad doesn't know exactly everything.

10 years old In the olden days when my dad grew up, things were sure different.

12 years old Oh, well, naturally, daddy doesn't know anything about that. He is too old to remember.

14 years old Don't pay any attention to daddy, he's too old fashioned.

21 years old Him, my Lord, he's hopelessly out of date.

25 years old Daddy knows a little bit about it.

30 years old Maybe we should ask daddy what he thinks, after all, he's had a lot of experience

35 years old I'm not doing a single thing until I talk to daddy!
