“ Hi there all,

I realize this note may or may not even find you at all. I also know its been a long minute or 2 since Jerry has left this life and joined Uncle Aurey and Aunt Ruth in the heaven. I am sorry I had no idea he had past . I would have loved to have paid my respects sooner. It seems since Momma's death in 2007, regretfully, I have lost touch with the goings on with you all. She was so very good at making sure to keep me up to date on things such as this. She would also be quick to remind me Blood is Blood and in the end Family is all that matters.

My heart and my prayers go out to each and everyone of you. Losing a Sibling isn't easy. Time can put distance between you and the pain . I do hope the knowledge that his suffering(that we all endure) in this world is over and he is with Uncle Aurey and Aunt Ruth again in heaven. I have found comfort in my belief we leave a little bit of ourselves behind in everyone we love as we past through this world. I know I can find a little of Momma and Daddy in each of my sister's. Just to know they were not completely gone from my life helped me with the hard days.

I know I didn't know Jerry (or any of you) as well as 1st cousins should have. I do remember stories the Girls shared with Emmitt and I about growing up with ya'll. I also know I sensed a true and gentle kindness about Jerry the few times I did get to meet him. I am so very sorry for your loss.

I wish you all the best in this life. God Bless and keep you all. Til we all meet again.

Love~Vonnie###imported-begin##Vonnie Marie Plott###imported-end##

“ Our thoughts are with all of you during this sad time of loss for you husband, father, and brother. Growing up in the community and going to school with all of you makes us all like family and we share in your sorrow. Sorry we could not get to the funeral home to give you a hug and talk in person, but please know the thoughts and love is sincere. May God grant you peace and comfort. Love, Pat and Dan Tanner###imported-begin###Dan and Pat Tanner###imported-end##
