“ *I am so sorry Luke passed before I could get up there this week-end to see him. My condolences to his family. I wish I could be with you at the service, My heart will be there with you, so will my prayers. Luke was always walking to our house to play with us. He was very sweet. always concerned about his family and friends. I loved you Luke and will miss seeing you on my visits to Walnut Grove. Dianne (Johnson) Adams 850-400-1219 Milton, Florida*

“ *Luke told me one time he was born in a old house on my dads land. I ask him what room of the house he was born in He looked at me and said" I don't know I was just born". I laughed all day. Luke was a good guy. I will miss talking about the Atlanta Braves with him*

“ *I am going to miss the phone conversations where we checked on each other since our mates are deceased. Luke was a loving cousin who loved his family and stayed in touch with other family members even when he was not able to visit in person. My love and sympathy goes to his daughter and grandsons and to his sister Frances.*

My sister, Dianne, and I grew not far from Luke & his family. Fond memories still of those distant times with Frances, Jackie & Luke. He was always very kind & considerate calling to check on us. Walnut Grove will certainly miss him! Heartfelt condolences to his daughter, Carencro and grandsons.
