“ *We just now heard the sad news of Jesse's passing when we called his trailer shop for a hitch & installation. We have fond memories of Jesse at Mount Zion & day camp swim, as well as, the trailer shop (bought a few hitches). Our deepest sympathies to Sandra and the rest of Jesse's family.*

Sandra, Wade & I are so deeply saddened & heartbroken over this news. We honestly had no idea, I mean what kind of neighbors are we to not even notice?! We leave before daylight & are home after dark, I had noticed someone else feeding the horses but simply thought maybe the two of you were out of town for the holidays. I had just spoke with him on his birthday. I feel so awful, I had came by last wkend & left a gift basket for the two of you on your front porch for Christmas & when I got no answer out of respect, I text Jesse's phone to let him know it was me. When he didn't reply right away, as he always does I knew then something was wrong. That was the kind of soul he was, always so kind, so responsive & such a generous soul. Again, we are so heartbroken for you & your family. Your in our many thoughts & prayers, if there's anything that you need or that we can do for you without hesitation please please let us know!
