“ *To all the Pierce family. You are all very special to me and my family. You moved on to our street the same day as my parents. All thought myself and three of your family were not arrivals as of yet. Jessie, Brenda and My two brothers, DL, and Richard, were. My parents talked about the adventures and trouble the three boys got into. And Brenda may not have been involved. She always knew who was. I have great memories o th who family. I wish to tell you that it is a great honor to say I knew Jessie and loved him like another brother. I will miss him as I miss my own brothers. But I know that hi is not in heaven along with family and friends that have gone before. Love to all of you. Susan Clements Butler*
