“ Mrs. Reeves and family, Although I have not seen Jesse in many years, accounts by our friends who lived near you and what is written here let me know that, as the years passed, he remained true to himself. From the good ole early days in our neighborhood and at Midway Elementary (where I remembering being in awe of his mastery of history) through graduation from Towers, I watched him become a popular leader. It appears that his life has made and will continue to make a positive impact on many. I will remember all of you in my prayers as you go through this sad time.
